1. Requirements

We accept Italian citizens, EU citizens regardless country of residence, non-EU citizens residing regularly in Italy, non-EU citizens residing abroad (possessing a study visa). Candidates must obtain the following qualifications and curricular requirements up until **16 September 2016**:

- Bachelor of Science degree or other qualification recognized as equivalent, obtained in Italy or abroad. Specifically, the following areas of discipline are accepted: degrees in Architecture (L-17), degrees in Civil and Environmental Engineering (L-7), degrees in Project Management (L-23).
- Have the necessary curricular requirements regards disciplines: mathematics, building physics and building energy systems, architectural history, drawing, architectural survey, building design, architectural conservation, structural mechanics, structural engineering, architectural and urban design, urban and landscape planning, architectural technology, professional practice (Please note: the candidate must read the official announcement).
- Certificate of English language knowledge of B2 level at least.

2. Number of available places

For Italian citizens, EU citizens regardless residence and non-EU citizens with stable residence in Italy, the number of available places is **130**.

For non-EU citizens permanently residing abroad the number of available places is **30** (Please note: two of this reserved for citizens of Chinese nationality members of the "Marco Polo" project).

Starting from this year we have two "curricula": one in Italian language and one in English language. Candidates must specify which curriculum intend to enroll.

Foreign students who want to enroll in the curriculum in Italian language must pass the test of Italian September 2, 2016.

students do not have the linguistic knowledge required will have three months to privately attend a language useful to the attainment of the required level before enrolling effective.

3. How to participate

- A **Participation Fee of € 35,00** must be paid at any of the branches of the bank "Gruppo UniCredit", located in Italy, starting from **12 July 2016** and **without exception** before **16 September 2016**.

To make the payment, it is necessary to use only the custom form printable online through the information system of the University (Infostud), according to the instructions on the site www.uniroma1.it/didattica/sportelli/infostud.

The payment can be made also online with credit card (for more information, see the web page www.uniroma1.it/didattica/tasse/pagamenti-tasse).

Attention: the on-line payment must arrive until 16 September 2016, 15:45 Italian time (bank office closure).

The participation fee for the admission process will not be reimbursed for any reason.

Attention: eventual notices will be sent to the email address indicated when registering on Infostud. Please check the accuracy of the email address entered. If you are already registered on the Infostud system, you should check / enter your e-mail address using the function *User data > Edit access data*.

The payment form is also considered as:

- A declaration of the personal data
- Bulletin of payment of the selection procedure participation fee

Only the previously described methods of payment will be accepted.

- The candidate must send, up until **16 September 2016**, his submission for the selection process, prepared according to the scheme set out in Annex A (**Allegato A**) in web site, to be sent obligatorily as follows:

In the web site www.uniroma1.it/didattica/offerta-formativa:

- select Faculty of Architecture and the type of degree program for which it intends to apply;
- open the excel file document Annex A (**Allegato A**) and complete it very carefully;
- save that document using as "name file" FamilynameFirstname (for example SmithJohn), in Microsoft Excel 97-2003;
- print the excel file with all data and sign it;
- submit the documentation as follows (**both required**):
 1. the excel file with signature together with the copy of the passport and of the receipt of the "Participation fee" must be sent by **registered mail ("raccomandata") to the following address (reserved only for registered mails):** Università degli Studi di Roma "La Sapienza" Area Servizi agli Studenti - Segreteria Studenti della Facoltà di Architettura - Piazzale Aldo Moro, 5 - 00185 - Roma. The name and surname of the applicant must be indicated on the envelope, as well as the following reference: **Magistrale AR - 28673.**
 2. you must send your submission for the selection process also by email at the address architettura.ar@uniroma1.it with excel file as attached and **Magistrale AR 28673** as subject.

Please note that the required documentation must sent until 16 September 2016 and must arrive until 30 September 2016 (only for *curriculum* in english language).

4. Candidate with foreign academic degree

For Italian citizens, EU citizens, non-EU citizens with stable residence in Italy and non-EU citizens regardless residence abroad, with foreign academic degree, for the admission process **must follow all the procedures specified in point 3.**

In order to participate the selection process, applicants must:

- **Only in case of candidates coming from non-EU Countries**, present a regular application form at the Italian Representation (such as embassy or consulate) in the country of origin. Further information is available at the website of the Ministry for Education, University and Research: <http://www.studiare-in-italia.it/studentistranieri/>
- Register at the online information system of "Sapienza", Infostud: <https://stud.infostud.uniroma1.it/Sest/registrazioneStudenti/initRegistrazione.do>
Important: keep the "matricola" number issued by the information system, which is essential for further stages of the application procedure

The list of documents required for the enrollment is available on the page http://en.uniroma1.it/sites/sitoen/files/allegati/FAQ_%20english_0.pdf

4. Evaluation criteria of the applicant's preparation

In order to evaluate applicants' qualifications, points will be awarded in the following way:

A) Up to a maximum of 25 points for:

- weighted average of the exams.

B) Up to a maximum of 50 points for:

- number of credits obtained through assessments expressed out of thirty in SSD (Academic Disciplines List) ICAR 14, ICAR 18, ICAR 19, ING-IND/11.

C) Up to a maximum of 25 points for:

- the bachelor degree thesi-project, according to the obtained vote/rating and the relevance to the discipline of Architecture conservation.

The students having foreign qualification (degree) must indicate list of exam with credit/hours, the final evaluation and the exams program.

The committee will evaluate the requirements based on the documentation (see Art. 1 of the official announcement, Bando) and the eligibility of the candidate.

5. Publication of the ranking

The ranking based on the evaluation will be published until **5 October 2016** on the website www.uniroma1.it/didattica/offerta-formativa.

The winning students will need to complete the enrollment until **12 October 2016**.

Those who do not complete the enrollment until the given date, will automatically lose their places. Such places will be taken over by the next applicants, following the ranking.

Regarding those places, the new list of the accepted students (in the liberated places) will be published according to the following schedule:

17 October 2016	publishing the list of newly accepted students
24 October 2016	deadline for enrolling for those students

The possibility to take over the places will be communicated via e-mail. **It is strongly recommended to control the e-mail account regularly.**

6. Process of enrollment

In order to carry out the enrollment, **the winners having foreign qualifications** will need to go to the Office for Foreign Students (Settore Studenti con Titolo Straniero) for validating their degrees and to verify the conformity of the documents required by the Ministry of Education.

Moreover, applicants will need to pay **within the time limits specified in point 5** the first installment of tuition fees by printing the form from the website www.uniroma1.it/infostud and following the instructions for registration.

7. Further information and contact details

This announcement is also published on the website www.uniroma1.it/didattica/offerta-formativa.

Any subsequent information will be posted at the Students Office and on the website www.uniroma1.it/didattica/offerta-formativa.
