Lessons Timetable, second semester a.a. 2020/2021

Update date: March 14th, 2021

Dear students

In this document you will find the timetable for your degree course, divided by year.

The different colouring of the cells in each year refers to the possible division of the courses into channels based on the initial of the student's surname (this year, for reasons of COVID security of access to the lessons, it will not be possible to ask for a change of channel), or indicates mutual or optional exams.

Timetables are at least partially provisional; therefore, I invite you to check for any changes, on the Department website and/or on the Course Catalog pages, between now and the beginning of classes.

The location of classrooms is available on the last page of the document; again, minor adjustments will be necessary. The capacity indicated is the total capacity: the number of seats actually available will be less (about half), and determined for each classroom based on Covid security measures.

Classes in the second semester will take place in mixed mode (in person, with simultaneous remote transmission in synchronous mode) for all years of the course.

TO ATTEND LESSONS IN PRESENCE it is necessary to read carefully what is written on the link <https://www.uniroma1.it/it/notizia/covid-19-fase-3-lezioni-esami-e-lauree-presenza-e-distanza>, to consult the timetables, to check the classroom, the building code and **to book through the PRODIGIT platform**, <https://prodigit.uniroma1.it/prenotazioni/prenotaule.nsf/home>, using the SIRAM code of the classroom and respecting the turn according to the student's number.

[UPDATE 13 MARCH] In light of the national and regional provisions that have been announced as a result of Lazio's transition to a "Red Zone", the Regional Committee of the Universities of Lazio has resolved that from Monday 15 March 2021 attendance in presence of educational and curricular activities of all courses of study (bachelor's degrees, master's degrees, doctorate courses) will be suspended and will continue at a distance.

TO FOLLOW LESSONS AT A DISTANCE the timetables will be provided, next to the indication of the classroom, with a link (accessible by clicking on LINK MEET or LINK ZOOM) to the Google Meet or Zoom appointment of each individual lesson. From a technical point of view, it is preferable to use the Google Chrome browser.

N.B. You can find out more about the features of Classroom and Meet, Zoom and all the distance learning tools at this address: <https://www.uniroma1.it/it/pagina/tecnologie-di-facile-utilizzo-supporto-della-didattica-distanza>.

I wish you a good semester!

The Director of the CoRiS Department

Alberto Marinelli
