- consistency of the bachelor’s degree study plan;
- other extra-curricular activities, including any jobs and other training activities;
- B-2 level English knowledge;
- interview.
Admission procedures

How to print the paying-in slip

The application form for the assessment of requisites must be printed from Infostud according to the procedures described at https://www.uniroma1.it/it/pagina/infostud. Such form, of the amount of € 10, is at the same time application, self-certification of personal data and privacy disclaimer and shall be paid within the following deadlines, at students’ choice:

September 13, 2019, October 14, 2019, November 13, 2019, December 13, 2019, January 13, 2020 (date reserved to Sapienza graduands and graduates).

Payments shall be made at any Italian Unicredit branch.

The result of such requisite assessment will be communicated to the institutional email address (if available) or to the email address provided on Infostud.

Further information is available at https://cybersecurity.uniroma1.it/admission.

Students coming from other Universities

Students coming from other Universities shall enrol with the same procedure described at https://www.uniroma1.it/it/pagina/infostud, before making payment and send by email (cybersecurity_info@uniroma1.it) to the Educational Affairs Office of the degree programme, within the same deadlines prescribed for the application for requisite assessment, the following online documents:

• CV (EUROPASS format);
• a self-certification of the degree obtained with the list of the exams taken and of the scientific disciplinary sectors corresponding to courses (a model is available at https://cybersecurity.uniroma1.it/admission);
• an official certificate attesting a B-2 level knowledge of English language (or a self-certification, whose model is available at https://cybersecurity.uniroma1.it/admission);
• copy of the € 10 payment receipt;
• copy of an identity document.

Failure to submit the past study plan or the unsuccessful result of the assessment of curricular requisites will prevent students from enrolling in that specific degree programme.

Address and opening hours of the Educational Affairs Office:

Educational Affairs Office of the Department of Computer Science
Via Salaria no. 113, Rome
III floor - room 329

Opening hours:

• Monday, Tuesday and Wednesday: 10:00 a.m. - 12:00 p.m.
• For information, write an email to cybersecurity_info@uniroma1.it

Notice:
The office will be closed in August. The opening hours will be as follows:

until July 24, 2019 and from September 2, 2019.

Students holding a pre-admission letter

Students coming from foreign universities shall enrol with the same procedure described at https://www.uniroma1.it/it/pagina/infostud, before making payment, and shall submit to Hello Help Desk - Foreign students the following documentation:

• original and copy of the identity document;
• original and copy of the student visa (in case of non-EU citizens residing abroad);
- original and copy of the residence permit (in case of non-EU citizens legally residing in Italy);
- original and copy of upper secondary school diploma translated into Italian, legalised and accompanied by a declaration of value;
- original and copy of the degree translated, legalised and accompanied by a declaration of value;
- original and copy of the certificate of exams passed translated and legalised;
- receipt of the € 10 payment for the requisite assessment.

**Students without a pre-admission letter**

Students coming from foreign universities shall enrol with the same procedure described at https://www.uniroma1.it/it/pagina/infostud, before making payment, and shall send an email to studentistranieri@uniroma1.it by attaching:

- passport;
- student visa (in case of non-EU citizens permanently residing abroad);
- residence permit (in case of non-EU citizens legally residing in Italy);
- the upper secondary school diploma translated, legalised and accompanied by a declaration of value;
- the degree translated, legalised and accompanied by a declaration of value;
- the certificate of the exams passed translated and legalised;
- a detailed list of the courses per each discipline, with the indication of the hours of technical and practical educational activities provided for the achievement of the degree or of the Diploma Supplement;
- the payment receipt of € 10 to be paid for the assessment of requisites.

The Hello Help Desk - Foreign students will forward the documentation to the person in charge of the competent Faculty.

**Once requisites have been assessed, the above documents shall be submitted in original and in copy to make payment of the tuition fees.**

**Graduands**

Should the Educational regulations of the study programme provide for it, also Sapienza students or students coming from other Italian Universities who have not graduated yet will be allowed to require the requisite assessment, provided that they will achieve the degree within January 17, 2020 (for Sapienza students) and within December 20, 2019 (for students coming from other Italian Universities).

**Single exams for the attainment of requisites**

Graduated students and graduands coming from Sapienza or other Italian or foreign Universities who intend to enrol in a Sapienza master's degree programme pursuant to former Ministerial Decree no. 270/04 and who are not provided with all the curricular requisites provided, may enrol in single programmes before enrolling in the master's degree programmes by benefitting from a 75% reduction on the cost of each single programme. The exams taken, if any, will not be included in the first year programme, will not be included in the average calculation of exams and will not be used in case of programme shortening applications, but may be only added up to the student’s career for the above mentioned purposes. The procedures to enrol in single programmes are described in art. 41 of the University Programme Manifesto.

**Further information**

The admission procedures provided after requisite assessment are indicated in art. 8 of the University Programme Manifesto published at https://www.uniroma1.it/it/pagina-strutturale/studenti.
