

Europass Curriculum Vitae

First name(s) / Surname(s)	Annabella Vitalone
Address(es)	Department of Physiology and Pharmacology "v. Erspamer". Sapienza, University of Rome, 5 P.le Aldo Moro, 00185, Rome Italy
Telephone(s)	+39-06-49912904
Fax(es)	+39-06-49912480
E-mail	annabella.vitalone@uniroma1.it
Nationality	Italian
Occupational field	Research and teaching in Pharmacognosy and Phytotherapy
Work experience	
Dates	<u>November 2007 - Present</u>
Occupation or position held	<u>Assistant professor (in 2012, she has also obtained the qualification to Associate professor position)</u>
Main activities and responsibilities	Research has focused on the suspected adverse reactions associated with the use of natural products (particular attention is devoted to weight loss products). Study of <i>in vitro/in vivo</i> hepatotoxicity potentially induced by medicinal plants. Summarized research results and wrote manuscripts. Administrative duties in the control and the organization of various budgets. She is involved in teaching pharmacognosy and phytotherapy in the Schools of Pharmacy (Applied Pharmaceutical Sciences and Pharmaceutical Biotechnology and Pharmacy Courses), as well as in various training programs sponsored by Pharmacist Association. Supervisor of Post-doctoral fellows, PhD student and students.
Name and address of employer	Dept. of Physiology and Pharmacology "V. Erspamer"; Sapienza University of Rome, Rome – Italy.
Sector	University - Basic research
Dates	June 2006-October 2007
Occupation or position held	Research Scientist
Main activities and responsibilities	Set-up a new research laboratory for the study of mechanisms of neurotoxicity of food contaminants. She has been involved in teaching phytotherapy, pharmacology and toxicology in the Schools of Medicine. Supervisor of PhD student.
Name and address of employer	Dept. of Human Anatomy, Pharmacology and Forensic Sciences; University of Parma, Parma – Italy.
Sector	University - Basic research
Dates	April 2004 - March 2006
Occupation or position held	Research Scientist

Main activities and responsibilities	Study of "In vitro models of neurotoxicity and neuroprotection". Supervisor of a study on "Developmental neurotoxicity of Allethrin", funded by Sumitomo Chemicals, Japan. Task manager in the EU-funded project "Toxic threats to the developing nervous system: in vivo and <i>in vitro</i> studies on the effects of mixture of neurotoxic substances potentially contaminating food (DEVNERTOX)". Summarized research results and wrote reports for EU. She has been involved in teaching phytotherapy, pharmacology and toxicology in the Schools of Medicine. Supervisor of PhD student.
Name and address of employer	Dept. of Pharmacology; University of Bari, Bari - Italy
Sector	University - Basic research
Dates	March 2005 – June 2005
Occupation or position held	Scientific consultant
Main activities and responsibilities	Development dietary supplements and assessment their safety.
Name and address of employer	Italian Pharmacotherapeutic Institute (IFI); Rome – Italy.
Sector	Research and development.
Dates	November 2002 - October 2003
Occupation or position held	Research Scientist
Main activities and responsibilities	Manager of EU-funded project: "Developmental neurotoxicity of Polybrominated Diphenyl Ethers: Mechanisms and effect" (PBDE-ntox). Carried out <i>in vitro</i> experiments on mechanisms of cytotoxicity of PBDEs and PCBs. Summarized research results and wrote reports for EU.
Name and address of employer	Dept. of Natural substances and general Physiology; Sapienza University of Rome, Rome - Italy
Sector	University - Basic research
Dates	January 2002 - June 2002
Occupation or position held	Visiting scientist
Main activities and responsibilities	Involved in a research project on human benign prostatic hyperplasia. Assessed the pharmacological and toxicological effects of different plant extracts on the proliferation of human prostate cell lines. Part of the work was carried out in collaboration with a Fytokem (Canadian company).
Name and address of employer	Dept. of Environmental and Occupational Health Sciences; University of Washington; Seattle WA – USA.
Sector	University - Basic research
Dates	September 2000 – May 2001
Occupation or position held	Visiting scholar
Main activities and responsibilities	Involved in a research project on human benign prostatic hyperplasia. Assessed the pharmacological and toxicological effects of different plant extracts on the proliferation of human prostate cell lines.
Name and address of employer	Dept. of Environmental and Occupational Health Sciences; University of Washington; Seattle WA – USA.
Sector	University - Basic research
Dates	July 1996 – March 2000
Occupation or position held	Pharmacist
Main activities and responsibilities	Worked as a Pharmacist in a private pharmacy in downtown, Rome. The job consisted in dispensing drugs and dietary supplements, as well as performing laboratory tasks (blood and urine analysis).
Name and address of employer	Farmacia "Langeli" – Rome. Italy
Sector	Pharmacy
Education and training	
Dates	2005
Title of qualification awarded	Post-graduate school in Pharmacology

Name and type of organisation providing education and training	University of Rome "La Sapienza" – Rome, Italy
Dates	2002
Title of qualification awarded	PhD in Pharmacology, Pharmacognosy and Toxicology
Name and type of organisation providing education and training	University of Rome "La Sapienza", Rome - Italy
Dates	1997
Title of qualification awarded	Diploma in Phytotherapy
Name and type of organisation providing education and training	Nobile Collegio Chimico Farmaceutico "Universitas Aromatariorum Urbis" – Roma.
Dates	1998
Title of qualification awarded	Diploma in Drugs for self-medication
Name and type of organisation providing education and training	Nobile Collegio Chimico Farmaceutico "Universitas Aromatariorum Urbis" – Roma.
Dates	1998
Title of qualification awarded	Diploma in Homeopathy
Name and type of organisation providing education and training	Confederation Internationale des Sociétés d'Homéopathie e Biotherapie
Dates	1999
Title of qualification awarded	Diploma in Pharmacoconomy
Name and type of organisation providing education and training	University of Rome "La Sapienza", Rome - Italy
Dates	1999
Title of qualification awarded	Diploma in Dental Pharmacology and in Pharmaceutical Legislation
Name and type of organisation providing education and training	Both from Hospital Medical School of Rome and of Lazio Region.
Dates	1996
Title of qualification awarded	Degree in Pharmacy, cum laude
Name and type of organisation providing education and training	University of Rome "La Sapienza" – Rome, Italy
Dates	1990
Title of qualification awarded	High school leaving qualification
Name and type of organisation providing education and training	Collegio "Nazareno", Rome
Mother tongue(s)	Italian

Additional information

Collaboration with the National Centre of Epidemiology, Surveillance and Health Promotion of the Italian Institute of Health. Dr. Vitalone was a member of the Cultural task force, Pharmacist Association – Rome (2000-2013), Auditor of the Italian Society of Pharmacognosy (2010-2014), Secretary in the Board of Studies of Applied Pharmaceutical Sciences (CLASS L29 AND CLASS 24) of the Faculty of Pharmacy and Medicine (2012 November-present), Member of the Commission for the carrying out the compensatory measures for the recognition in Italy of the qualification of Pharmacist, obtained in a Third Country by EU citizens and non-EU citizens - Sapienza University of Rome (2013-2016), Secretary of the Pharmacognosy and Phytotherapy Working Group of the Italian Society of Pharmacology (2014 June-present), Member of the Faculty Board of the PhD in Pharmacology and Toxicology (2016-present)

Awards and honours received include: Fellowship, Italian Society of Pharmacology (2001); Grant award, Project of Young Investigators, Italian Ministry of University and Research (2002); Fellowship, Italian Society of Toxicology (2007); Award, Italian Scientist Société de Pharmacie de la Méditerranée Latine, Marsiglia- France (2008); Grant award, Faculty Project (2008) and other Academic Projects (2009, 2011); Finalist, Research Funding Program for Young Investigators, Italian Ministry of Health (39th out of 1500 applicants), FIRB, Pre-selected project by Sapienza University (2012); FFABR 2017 fund winner (2017); University Fund Award (Article 9 co.1 L 240/10), Sapienza University of Rome (2018);

Dr. Vitalone is also a referee for various international Journals (i.e. Natural Product Research, Neurotoxicology, Phytotherapy Research, Planta Medica, African Journal of Biotechnology, Journal of Ethnopharmacology, BMC Complementary and Alternative Medicine), and grant reviewer for Research Project of National Interest (PRIN) from Ministry of Education, University and Research (MIUR), and Estonian Science Foundation. She is in the Editorial Board of the Journal of Case Reports and Studies (from January 2015).

Since 2003, she has been involved in teaching activities in Pharmacognosy, Phytotherapy, Pharmacology and Toxicology in the Schools of Medicine, Pharmacy, Pharmaceutical Biotechnology and Applied Pharmaceutical Sciences (of various University), as well as in various post-graduated training programs sponsored by the Pharmacist Association and the European Union.

Dr. Vitalone has authored more than 40 papers and book chapters in the area of phytotherapy, pharmacology and toxicology, and has presented her research at about thirty of national and international scientific conferences.

Dr. Vitalone was on maternity leave (from September 9, 2015 to March 29, 2016)

Dr. Vitalone is in the Register of Evaluation Experts of the ANVUR - Profile of Disciplinary Experts (Notice 2/2018). National Agency for Evaluation of the University System and Research, 2018

PREVIOUS GRANT as coordinator	<p>2002 "Study on molecular mechanisms involved in cell proliferation of prostate cells" - Research grant for Young Investigators, Italian Ministry of Education, University and Research.</p> <p>2008 "In vitro study of hepatotoxic effect of medicinal plants" Research Grant from the School of Pharmacy, Sapienza University of Rome [C26F08HSJS].</p> <p>2011 "Jatropha curcas: not only biodiesel", FARI 2011, Research Grant from Sapienza University of Rome [C26I11XEKJ].</p> <p>2014 Research Grants from Sapienza University "<i>Caralluma fimbriata</i>, a new natural weight loss: pharmaco-toxicological characterization" [C26A14J2HR]</p>
PREVIOUS GRANT as participant	<p>2002-2003 EU Research on Environment and Health, Project founded by the 5th Framework Programme [QLK4-CT-1999-01562]: "Developmental neurotoxicity of Polybrominated Diphenyl Ethers: Mechanisms and effect" (PBDE-ntox).</p> <p>2004-2006 Task manager of the Research Unit of the EU Research on Food Quality and Safety, Project founded by 6th Framework Programme [FOOD-CT-2003-506143]: "Toxic threats to the developing nervous system: in vivo and in vitro studies on the effects of mixture of neurotoxic substances potentially contaminating food (DEVNERTOX)".</p> <p>2004-2006 Research Project of National Interest (PRIN) from Ministry of Education, University and Research (MIUR): "Evaluation of mechanism-based in vitro models for predictive toxicity testing".</p> <p>2008 Research Grants from Sapienza University of Rome "Toxicological studies on the effect of herbal medicinal products on hepatic function" [code-number C26A083EBS].</p> <p>2009 "Safety of herbal drugs: pharmaco-toxicological studies and Phytosurveillance" [code-number C26F093JYJ]. Research Grants from Sapienza University of Rome.</p> <p>2009-2011 PRIN from MIUR [2009ESX7T3_001]"Neurobiological mechanisms modulating hypothalamic oxytocinergic system, involved in the anorectic effect of oleylethanolamide".</p> <p>2011 Research Grants from Sapienza University of Rome "Metabolomic application in the safety assessment of natural products" [code-number C26A11SNCN].</p> <p>2012 Research Grants from Sapienza University: "Natural products used in the weight control: safety assessment by a metabolomic study" [C26A128C78].</p> <p>2015 Research Grants from Lazio Region – Filas "e-ALIERB: an OPEN LAB to characterize and enhance the food and herbal products of the Lazio region"</p> <p>2016 "Chemopreventive effects of natural sesquiterpenes against the cigarette smoke-induced airway damage and inflammation", Progetto di Ricerca di Ateneo, Sapienza Univ. di Roma</p>

Seminars on invitation

- Università degli Studi di Parma. Facoltà di Medicina e Chirurgia - Corso integrato di Farmacologia. "Farmacologia e Fitoterapia a confronto" (Parma, novembre 2007 e gennaio 2008).
- Istituto Superiore di Sanità. Centro nazionale di epidemiologia, sorveglianza e promozione della salute - III° Corso di Riconoscimento e Segnalazione di Reazioni Avverse da prodotti di Origine Naturale. "Erbe Medicinali: presente e futuro" (Roma, maggio 2008).
- Università delle tre età. "Sicurezza d'impiego dei prodotti naturali" (Zagarolo, 2008, 2011, 2012).
- Universitas Aromatariorum Urbis. Nobile Collegio Chimico Farmaceutico. Corso ECM in "Fitoterapia 2009; Prodotti fitoterapici magistrali e officinali" – "Droghe ad azione sedativa del SNC" (Roma, maggio 2009).
- Scuola di Sanità e Veterinaria Militare della Cecchignola. Corso ECM di "Integratori alimentari e prodotti fitoterapici: aspetti tecnologici, legislativi e di impiego terapeutico" – "La ricerca sulle piante medicinali: dall'ethnobotanica all'isolamento dei principi attivi" (Roma, ottobre 2009).
- Soroptimist International Italia. Club Roma 3. Seminario in Fitoterapia – "Noi e le piante medicinali" (Roma, febbraio 2010).
- Ditta Vanda omeopatici. Collaborazione didattica in merito a "Fitoterapia nei disturbi dell'apparato genito-urinario maschile" (Perugina, Milano, Padova, Catania - febbraio-aprile 2010; giugno 2013).
- Scuole di Alatri e Colle Ferro in collaborazione con Sapienza, Università di Roma. Progetto Ponte Azione 4B3 - "Efficacia e sicurezza dei prodotti fitoterapici" (marzo-aprile 2010).
- Istituto Superiore di Sanità. Centro nazionale di epidemiologia, sorveglianza e promozione della salute. IV° Corso di Riconoscimento e Segnalazione di Reazioni Avverse da prodotti di Origine Naturale – "La situazione regolatoria dei prodotti di origine naturale" (Roma, maggio 2010).
- Società Italiana Farmacologia (SIF). 36° Congresso Nazionale (Torino, 23-26 ottobre 2013), Simposio "i prodotti di origine vegetale nella ricerca e nell'uso pratico: luci ed ombre". Lettura magistrale su "Suspected adverse reactions to herbal preparations".
- Sapienza Università di Roma. Simposio in onore del Prof. Dario Piccinelli e della Fondazione "Enrico ed Enrica Sovena" (Roma, 6 maggio 2016). Relazione scientifica su "Sicurezza d'impiego di prodotti 'naturali': evidenze cliniche e studi farmacologici".
- Società Italiana di Fitochimica e delle Scienze delle piante medicinali, alimentari e da profumo. Workshop - Essenze aromatiche: vizi e virtù del loro uso in terapia (Bari, 14 ottobre 2016) – "Sicurezza d'impiego degli oli essenziali".
