

2021/2022 Second Semester
Here you have the timetable of the offline classes

L23 THIRD YEAR	MON	TUE	WED	THU	FRI
9:30 - 10:30	Structural design		Geohazards	Sustainable techniques for road construction	
10:30 - 11:30	Structural design	Geotechnical engineering	Geohazards	Sustainable techniques for road construction	
11:30 - 12:30	Structural design	Geotechnical engineering	Geohazards	Sustainable techniques for road construction	
12:30 - 13:30	Bioclimatic building design	Geotechnical engineering			
13:30 - 14:30					
14:30 - 15:30	Bioclimatic building design	Geotechnical engineering	Engineering geophysics	Comparative international legislation for public works	Hydrology
15:30 - 16:30	Bioclimatic building design		Engineering geophysics	Comparative international legislation for public works	Hydrology
16:30 - 17:30	Bioclimatic building design		Engineering geophysics	Comparative international legislation for public works	Hydrology
17:30 - 18:30					Hydrology

2021/2022 Second Semester
Here you have the timetable of the recorded lessons

L23 THIRD YEAR	MON	TUE	WED	THU	FRI
8:30 - 9:30	Hydrology	Comparative international legislation for public works			Structural design
9:30 - 10:30		Comparative international legislation for public works			Structural design
10:30 - 11:30					
11:30 - 12:30					
12:30 - 13:30					
13:30 - 14:30		Geohazards			
14:30 - 15:30		Geohazards			
15:30 - 16:30		Geotechnical engineering			
16:30 - 17:30		Geotechnical engineering			
17:30 - 18:30	Sustainable techniques for road construction	Engineering geophysics	Hydrology	Geotechnical engineering	
18:30 - 19:30	Sustainable techniques for road construction	Engineering geophysics	Hydrology		Bioclimatic building design
