

**2021/2022\_FIRST SEMESTER 27/09/2021 - 22/12/2021**

LM24 SECOND YEAR	MON	TUE	WED	THU	FRI
9:00 - 10:00	Bioclimatic design	Architectural engineering for sustainable buildings and environment	Bioclimatic design	Project financing	Project financing
10:00 - 11:00	Bioclimatic design	Architectural engineering for sustainable buildings and environment	Bioclimatic design	Project financing	Project financing
11:00 - 12:00	Bioclimatic design	Architectural engineering for sustainable buildings and environment	Bioclimatic design	Project financing	
12:00 - 13:00	Bioclimatic design	Architectural engineering for sustainable buildings and environment	Construction site organization	Structural dynamics	
13:00 - 14:00		Architectural engineering for sustainable buildings and environment	Construction site organization	Structural dynamics	Architectural engineering for sustainable buildings and environment
14:00 - 14:30					
14:30 - 15:30	Structural dynamics	Bioclimatic design	Structural dynamics	Construction site organization	Architectural engineering for sustainable buildings and environment
15:30 - 16:30	Structural dynamics		Structural dynamics	Construction site organization	Architectural engineering for sustainable buildings and environment
16:30 - 17:30		Structural dynamics		Construction site organization	Construction site organization
17:30 - 18:30		Structural dynamics			Construction site organization
