Health Economics

Faculty of Economics

Class: LM-56; code to be entered on Infostud: **33441**

Degree Programme delivered in English language

1. Stages of the procedure

For admission to the master's degree, it is required to:

- a. **Pay** the €10,00 fee in compliance with the methods and deadlines indicated in section 3.
- b. **Wait for the outcome** of the entry requirements assessment. **If the requirements are not met**, it is possible to acquire the missing credits by passing single exams. The methods and costs are set out in "*Single Courses*" of the Student Regulations [Go to the Student Regulations](#)
- c. **Carry out the academic knowledge assessment** in the modalities indicated in section 4.
- d. **Proceed to enrolment** by paying the master's degree enrolment tuition fees in accordance with the procedures and deadlines indicated in section 5. Enrolment can only take place when the Student Affairs Office sends an email notification of the successful outcome of entry requirements and academic knowledge assessment.

For candidates coming from other Italian universities

After paying the €10,00 fee, candidates from other Italian universities must send to the student affairs office (using the relevant form accessible at the link <https://forms.gle/ZZm6GJjKU9kLP35F9>):

- self-certification of the educational qualification obtained with indication of the graduation grade and degree Class;
- self-certification of the exams taken, the number of ECTS for each exam, the Scientific-Disciplinary Sectors corresponding to the subjects;
- a copy of the payment of the €10,00 fee.

For candidates who have not graduated yet

Candidates who have not yet graduated (from Sapienza University of Rome or other universities) may also apply for entry requirements assessment, without prejudice to the obligation to graduate by January 24, 2026 (for those who have not yet graduated from Sapienza University of Rome) and by December 20, 2025 (for those who have not yet graduated from other Italian and international universities).

Requirements will be assessed only after the degree has been obtained.

For this purpose, candidates from other universities must submit the self-certifications referred to in the previous paragraph, including their final grade and degree class.

For candidates coming from foreign countries and/or in possession of a qualification obtained in a non-Italian education system

Procedures for candidates coming from foreign countries are indicated in section 6.

The **outcome** of the entry requirements assessment will be communicated to the institutional mailbox (if activated) or to the personal email address declared on Infostud.

4. Academic knowledge assessment

Candidates who meet the aforementioned requirements must also take a test to assess their academic knowledge in order to enrol in the degree programme.

Candidates holding a Bachelor's degree in classes 17 and 28 (ex Ministerial Decree 509/99) and L-18 and L-33 (ex Ministerial Decree 270/04) are exempt from undergoing the academic knowledge assessment test.

Those who have graduated in other classes and have obtained a degree mark no lower than 90/110 are also exempt from undergoing the academic knowledge assessment test.

For all the others, the Degree Programme Board will provide for assessment by means of an individual interview or group test or university career assessment, with particular regard to the exams of the foundation and core Scientific-Disciplinary Sectors.

The assessment of academic knowledge will also concern English language proficiency of at least level B2 (assessment not necessary in the case of a three-year degree delivered entirely in English).
