Transport Systems Engineering

Faculty of Civil and Industrial Engineering

Class: LM-23; code to be entered on Infostud: **33488**

Degree programme delivered in English

1. Stages of the procedure

For admission to the master's degree, it is required to:

- a. **Pay** the €10,00 fee in compliance with the methods and deadlines indicated in section 3.
- b. **Wait for the outcome** of the entry requirements assessment. **If the requirements are not met**, it is possible to acquire the missing credits by passing single exams. The methods and costs are set out in "*Single Courses*" of the Student Regulations [Go to the Student Regulations](#)
- c. **Carry out the academic knowledge assessment** in the modalities indicated in section 4.
- d. **Proceed to enrolment** by paying the master's degree enrolment tuition fees in accordance with the procedures and deadlines indicated in section 5. Enrolment can only take place when the Student Affairs Office sends an email notification of the successful outcome of the entry requirements and academic knowledge assessment.

Candidates from other Italian universities

Applicants from other Italian universities, after paying the €10,00 fee, must submit a self-certification indicating the exams taken, the scientific disciplines corresponding to the subjects, and relating syllabuses using the form "*Dichiarazione laurea ed esami*" available on the University Website at the student forms page <https://www.uniroma1.it/en/pagina/student-forms>. Submissions must be made in one of the following ways:

- from the email address indicated on Infostud at the time of registration to the email address of your Student Affairs Office or the address indicated in the curricular requirements, available in the Course Catalogue, on the page of each degree programme, in the Enrolment section. Before submitting your application, you must check that you have uploaded your identification document on Infostud, under the section "Profile>Personal documents";
- from your personal certified e-mail address to the Sapienza University of Rome certified e-mail address protocollosapienza@cert.uniroma1.it

Candidates who have not graduated yet

If the programme regulations provide for it, candidates who have not yet graduated (from Sapienza University of Rome or other universities) may also apply for entry requirements assessment, without prejudice to the obligation to graduate by January 24, 2026 (for those who have not yet graduated from Sapienza University of Rome) and by December 20, 2025 (for those who have not yet graduated from other Italian and international universities).

For candidates coming from foreign countries and/or in possession of a qualification obtained in a non-Italian education system

Procedures for candidates coming from foreign countries are indicated in section 6.

2. Entry requirements

To be admitted to the Master's Degree Programme in Transport Systems Engineering, students must have obtained a three-year Bachelor's Degree in Engineering or another qualification deemed equivalent to it.

Before enrolment, the fulfilment of the curricular requirements must be assessed and will be considered sufficient if the student has acquired at least:

The outcome of the entry requirements assessment will be communicated to the institutional mailbox (if activated) or to the personal email address declared on Infostud.

4. Academic knowledge assessment

The assessment of academic knowledge is carried out if the entry requirements are met.

For applicants with a Bachelor's degree who do not meet the curricular requirements indicated, the Civil and Industrial Engineering Educational-area Board, after an evaluation of the student career, will establish any disciplinary gaps that must be filled before enrolment in the Master's degree programme.

The level of English language proficiency required at entry must be no lower than the B2 level of the Common European Framework of Reference (CEFR) for languages and can be demonstrated through certification or through possession of a Bachelor's or Master's degree obtained in English.

Detailed information on the admission procedures can be found at:

<https://web.uniroma1.it/cdaingtrasporti>

The methods for assessing the adequacy of academic knowledge, which can only be accessed by those who meet the curricular requirements, are set out in the Programme Regulations, which are available on the degree programme's website.
