Green industrial engineering for sustainable development (Latina)

Faculty of Civil and Industrial Engineering

Class: LM-26; code to be entered on Infostud: **33490**

1. Stages of the procedure

For admission to the master's degree, it is required to:

- a. **Pay** the € 10,00 fee in compliance with the methods and deadlines indicated in section 3.
- b. **Wait for the outcome** of the entry requirements assessment. **If the requirements are not met**, it is possible to acquire the missing credits by passing single exams. The methods and costs are set out in "Single Exams" of the Student Regulations [Go to the Student Regulations](#)
- c. **Carry out the academic knowledge assessment** in the modalities indicated in section 4.
- d. **Proceed to enrolment** by paying the master's degree enrolment tuition fees in accordance with the procedures and deadlines indicated in section 5. Enrolment can only take place when the Student Affairs Office sends an email notification of the successful outcome of entry requirements and academic knowledge assessment.

Candidates from other Italian and foreign universities

Those coming from other Italian and foreign universities, before making the payment of the € 10,00 fee, must register using the procedure described on the same web page.

After making the payment, they must send to the student affairs office (using the form accessible at the link <https://forms.gle/FAizzfNiDgG7vwkv8> and by the same dates as for the application for the entry requirements assessment) self-certification of the qualification obtained, indicating the degree class, the exams taken and the scientific-disciplinary sectors corresponding to the subjects, and a copy of the payment of the € 10.00 fee.

Failure to submit the declaration of previous education or the negative result of the curricular requirements assessment will result in the impossibility of enrolling in the degree programme.

For candidates who have not graduated yet

Those who have not graduated yet (from Sapienza University of Rome or other universities) may also apply for entry requirements assessment, subject to the obligation to graduate by January 24, 2026 (for those who have not yet graduated from Sapienza University of Rome)

and by December 20, 2025 (for those who have not yet graduated from other Italian and international universities).

The assessment of entry requirements will be carried out only after the degree has been obtained.

For this purpose, those coming from other universities must send the self-certifications referred to in the previous paragraph, including grade and degree class.

For candidates coming from foreign countries and/or in possession of a qualification obtained in a non-Italian education system

Procedures for candidates coming from foreign countries are indicated in section 6.

2. Entry requirements
