Degree programme delivered in English language

### 1. Stages of the procedure

For admission to the master's degree, it is required to:

- a. **Pay** the €10,00 fee in compliance with the methods and deadlines indicated in section 3.
- b. **Wait for the outcome** of the entry requirements assessment. **If the requirements are not met**, it is possible to acquire the missing credits by passing single exams. The methods and costs are set out in "*Single Exams*" of the Student Regulations [Go to the Student Regulations](#)
- c. **Carry out the academic knowledge assessment** in the modalities indicated in section 4.
- d. **Proceed to enrolment** by paying the master's degree enrolment tuition fees in accordance with the procedures and deadlines indicated in section 5. Enrolment can only take place when the Student Affairs Office sends an email notification of the successful outcome of entry requirements and academic knowledge assessment.

### For candidates coming from other Italian universities

Applicants from other Italian universities, after making the payment, must follow the procedure on the degree programme's web page, in the course catalogue

<https://corsidilaurea.uniroma1.it/en> under the Apply section (and send by e-mail to the Data Science Educational Affairs Office: [datascience@i3s.uniroma1.it](mailto:datascience@i3s.uniroma1.it) confirmation of completion of a google form available there) by the same dates as for the application for entry requirements assessment.

The documents required are: certification or self-certification of the educational qualification obtained with an indication of the degree class, the exams taken with the relative marks and the scientific disciplinary sectors corresponding to the subjects, certification or self-certification of English language proficiency at level B2 or higher as well as a copy of the payment of the € 10,00 fee.

Failure to submit the declaration of previous educational background or the negative result of the assessment of curricular requirements will result in the impossibility of enrolling in that specific degree programme.

### **Candidates who have not graduated yet**

If the programme regulations provide for it, candidates who have not yet graduated (from Sapienza University of Rome or other universities) may also apply for entry requirements assessment, without prejudice to the obligation to graduate by January 24, 2026 (for those who have not yet graduated from Sapienza University of Rome) and by December 20, 2025 (for those who have not yet graduated from other Italian and international universities).
