

Academic year 2026-2027

Admission procedure for the Master's degree programme
with assessment of entry requirements and personal knowledge in:

Data Science

Faculty of Information Engineering, Computer Science and Statistics

Degree Class: LM-DATA; code to be entered on Infostud: **33519**

Course taught in English

1. Stages of the procedure

To be admitted to the programme, you must:

- a. **Pay** the fee of €10.00 in accordance with the procedures and deadlines set out in point 3.
- b. **Wait for the outcome** of the eligibility check. **If you do not meet the entry requirements**, you may acquire the missing credits by passing single examinations.
The procedures and costs are set out in the section 'Single Examinations' of the Regulations for Attendance at Bachelor's and Master's Degree Programmes and for Student Fees
[Go to the regulations](#)
- c. **Carry out the personal skills assessment** in accordance with the procedures set out in point 4.
- d. **Proceed with enrolment** by paying the course enrolment fees in accordance with the procedures and deadlines set out in point 5.
Enrolment can only take place once the Student Affairs Office has sent an email confirming the successful outcome of the eligibility and personal knowledge checks.

For students coming from other Italian universities

Students coming from other Italian universities, after paying the €10.00 fee, must follow the procedure set out on the degree programme's web page, within the [Course Catalogue](#) under the 'Enrolment' section (and send confirmation by email to the Data Science Academic Office – email: datascience@i3s.uniroma1.it, confirming that they have completed the Google Form available there) by the same deadlines as those set for the application to verify eligibility. The required documents are: certification or self-certification of the qualification obtained, specifying the degree class, the examinations taken with their respective marks, and the scientific-disciplinary sectors corresponding to the courses; certification or self-certification of English language proficiency at B2 level or higher; and a copy of the payment receipt for the €10.00 fee.

Failure to submit the declaration of previous academic history or a failed outcome of the verification of academic requirements will result in the inability to enrol on that specific degree programme.

For students who have not yet obtained their degree

Where the course regulations so provide, students who have not yet obtained their degree (at Sapienza or at other universities) may also apply for verification of their eligibility, subject to the requirement to obtain it by 23 January 2027 (for students who have not yet obtained their degree at Sapienza) and by 19 December 2026 (for students who have not yet obtained their degree from other Italian or international universities).

For students from abroad and/or holding a qualification obtained within a foreign education system

The procedures for students from abroad are set out in point 6.

2. Admission requirements

To be admitted to the Master's degree programme, applicants must meet the necessary academic requirements and demonstrate adequate personal knowledge, which includes verification of sufficient language proficiency.

The academic requirements are as follows:

A bachelor's degree or a three-year university diploma, or another qualification obtained abroad that is deemed suitable;

Having acquired at least 90 university credits across the following subject areas:

Mathematical and Computer Sciences: MAT/*, INF/01

Physical Sciences: FIS/*

Economic and Statistical Sciences: SECS-P/*, SECS-S/*

Industrial and Information Engineering: ING-IND/*, ING-INF/*

Biological Sciences: BIO/*

Legal Sciences: IUS/*

Earth Sciences: GEO/*

Civil and Environmental Engineering: ICAR/*

Logic and Philosophy of Science: M-FIL/02

Proficiency in English at B2 level or above.

3. Verification of eligibility

Eligibility checks must be requested by paying a €10.00 fee from 2 July 2026 and by one of the following dates, as chosen:

- 15 September 2026 (the only applicable date for applicants from non-EU countries requiring a student visa)
- 15 October 2026
- 17 November 2026
- 17 December 2026
- 14 January 2027 (date reserved for students who have already graduated from Sapienza or are about to graduate).

The payment is generated via the Infostud system.

The **payment** is made online via PagoPA (direct payment).

The **code** to be entered into the system is **33519**.

[Read the instructions](#)

The result of the eligibility check will be sent to your institutional email account (if active) or to the personal email address provided on Infostud.

4. Assessment of personal knowledge

Assessment of the applicant's suitability is compulsory and will be carried out by a dedicated committee, which will take into account the applicant's entire academic history, paying particular attention to the knowledge acquired in the fields of Mathematics, Probability and Computer Science, and to the marks achieved in these subjects.

For details of how academic requirements, English language proficiency and personal knowledge will be assessed, please refer to the Degree Programme's Academic Regulations.

[Go to the Course Catalogue](#)

5. Enrolment

Enrolment is granted upon payment of the course enrolment fees, following the successful completion of the assessment of entry requirements and personal knowledge.

The payment slip is generated via the Infostud system.

Payment is made online via PagoPA (direct payment).

The **code** to be entered into the system is **33519**.

[Read the instructions](#)

The deadlines for paying the first instalment are set out in the Regulations for Attendance on Bachelor's and Master's Degree Programmes, Chapter IX – Fees, ISEE, Fee Deadlines, under the heading 'Deadlines'

[Go to the regulations](#)

6. For students who hold a qualification from a foreign education system

The procedures vary depending on citizenship and country of residence.

For students of non-EU countries who reside abroad and are applying for a student visa, and for students from China participating in the Marco Polo programme

In these cases, you must hold a mandatory letter of pre-acceptance.

The procedures to follow are set out in point 7 on the International Students' Office page

[Read point 7](#)

For students who are Italian citizens, citizens of EU countries (regardless of their country of residence) and citizens of non-EU countries holding a residence permit in Italy

The procedures applicable to these cases are set out in point 8 on the International Students' Office page.

[Read point 8](#)

Enrolment procedures

Following a successful verification of eligibility, or upon receipt of a letter of pre-acceptance, students who hold a qualification obtained within a foreign education system must complete the enrolment procedure for the two-year Master's degree programme as set out in point 4 on the International Students' Office page.
