Class: LM-11; code to be entered on Infostud: **33601**

### **1. Stages of the procedure**

For admission to the master's degree, it is required to:

- a. **Pay** the €10,00 fee in compliance with the methods and deadlines indicated in section 3.
- b. **Wait for the outcome** of the entry requirements assessment. **If the requirements are not met**, it is possible to acquire the missing credits by passing single exams. The methods and costs are set out in "Single Courses" of the Student Regulations [Go to the Student Regulations](#)
- c. **Carry out the academic knowledge assessment** in the modalities indicated in section 4.
- d. **Proceed to enrolment** by paying the master's degree enrolment tuition fees in accordance with the procedures and deadlines indicated in section 5. Enrolment can only take place when the Student Affairs Office sends an email notification of the successful outcome of the entry requirements and academic knowledge assessment.

### **Candidates from other Italian universities**

Applicants from other Italian universities, after paying the €10,00 fee, must submit a self-certification indicating the exams taken, the scientific disciplines corresponding to the subjects, and relating syllabuses using the form "*Dichiarazione laurea ed esami*" available on the University Website at the student forms page <https://www.uniroma1.it/en/pagina/student-forms>. Submissions must be made in one of the following ways:

- from the email address indicated on Infostud at the time of registration to the email address of your Student Affairs Office or the address indicated in the curricular requirements, available in the Course Catalogue, on the page of each degree programme, in the Enrolment section. Before submitting your application, you must check that you have uploaded your identification document on Infostud, under the section "Profile>Personal documents";

- from your personal certified e-mail address to the Sapienza University of Rome certified e-mail address [protocollosapienza@cert.uniroma1.it](mailto:protocollosapienza@cert.uniroma1.it)

### **Candidates who have not graduated yet**

If the programme regulations provide for it, candidates who have not yet graduated (from Sapienza University of Rome or other universities) may also apply for entry requirements assessment, without prejudice to the obligation to graduate by January 24, 2026 (for those who have not yet graduated from Sapienza University of Rome) and by December 20, 2025 (for those who have not yet graduated from other Italian and international universities).

### **For candidates coming from foreign countries and/or in possession of a qualification obtained in a non-Italian education system**

Procedures for candidates coming from foreign countries are indicated in section 6.

## **2. Entry requirements**

Admission to the Master's Degree in Science and Technology for the Conservation of Cultural Heritage) requires a university degree or a three-year university diploma, or another qualification obtained abroad that is deemed suitable. Basic knowledge of mathematical, physical and natural sciences, of the materials constituting and/or used in cultural heritage, of humanistic and economic disciplines (museology, history of restoration and techniques of artistic production, legislation and economics of cultural heritage and activities) is required. Admission will be based on assessment of the curricular requirements and an interview provided for all. The interview will be conducted in face-to-face or distance mode, and detailed information will be sent.

Admission to the master's degree requires that graduates have acquired:

- 54 ECTS in the foundation subjects (MAT, CHIM, FIS, GEO, BIO, INF, ING-IND)
- 6 ECTS in the subjects of the Scientific-Disciplinary fields (L-ANT, L-ART, M-STO, ICAR, IUS, SECS)

The Master's Degree in Science and Technology for the Conservation of Cultural Heritage is delivered in Italian and English. For access to the Degree Programme, an assessment of knowledge and skills in English language level B2 is also required, should a recognised language certification not be available.

Applicants who have not acquired, during their previous student career, all the ECTS distributed as indicated above may also enrol in the Master's Degree.

Applicants who do not meet the above criteria will be assessed on an individual basis in order to assess their academic knowledge. In the event of gaps in any of the above-mentioned Scientific-Disciplinary Sectors, they will be invited to integrate their knowledge with specific subjects or by passing single exams before enrolling in the Master's degree.
