

SAPIENZA
UNIVERSITÀ DI ROMA

Academic year 2018-2019

Admission procedures for the Masters Degree Programme
with verification of requirements and of personal preparation¹ in:

**Security Engineering and Civil Protection - Ingegneria della
Sicurezza e Protezione Civile**

Faculty of Civil and Industrial Engineering

Class: LM-26; code to be indicated on Infostud: 29916

Admission Requirements

Admission to the degree programme requires meeting the curricular requirements that prescribe, in any case, an adequate level of competence in the scientific methods and content of the fundamental science disciplines, and in the engineering disciplines that are preparatory for the ones of the masters degree programme, as well as English language knowledge.

Curricular requirements

In particular, the curricular requirements to access the Masters Degree Programme in Security Engineering and Civil Protection are:

- good knowledge of English language equal to the B2 Level of the CEFR - Common European Framework of Reference for Languages, that will have to be certified by candidates with an adequate certificate or with the verification of this knowledge carried out in accordance with the procedures indicated in the degree programme educational Regulation;

- at least 90 Credits (ECTS/CFU) in Engineering degree programmes (Old academic system) or in Civil and Environmental Engineering, in the essential educational activities of the L-7 class degree programmes in Civil and Environmental Engineering and/or the L-9 class degree programmes in Industrial Engineering, as specified below:

- at least **30 credits (ECTS/CFU)** in the basic educational activities:

- a) academic field: Mathematics, computer science and statistics: INF/01, INF/05, MAT/02, MAT/03, MAT/05, MAT/06, MAT/07, MAT/08, MAT/09, SECS-S/02

- b) academic disciplines: Physics and chemistry: CHIM/03, CHIM/07, FIS/01, FIS/03;

¹ I.e. Requirements and personal knowledge assessment

- at least **60 credits (ECTS/CFU)** in the characterising educational activities:

a) academic field: security engineering and civil protection, environmental and territory engineering: ICAR/02, ICAR/06, ICAR/07, ICAR/08, ICAR/09, ICAR/11, ING-IND/11, ING-IND/28;

b) academic field: security engineering and industrial protection: ING-IND/10, ING-IND/14, ING-IND/16, ING-IND/17, ING-IND/21, ING-IND/22, ING-IND/25, ING-IND/31, ING-IND/33;

c) academic field: environmental and territory engineering: BIO/07, CHIM/12, GEO/02, GEO/05, GEO/11, ICAR/01, ICAR/03, ICAR/05, ICAR/20, ING-IND/24, ING-IND/27, ING-IND/29, ING-IND/30;

d) academic field: energy engineering: ING-IND/08, ING-IND/09, ING-IND/19, ING-IND/32.

Candidates who do not fulfil the obligatory requirements for enrolment may fulfil the requirements needed, before enrolment, by taking single exams as indicated in the University educational Regulation.

For candidates who graduated abroad or candidates who do not hold a degree in Engineering (Old academic system) or in Civil Environmental Engineering or in Industrial Engineering, the verification of curricular requirements will be carried out considering appropriate equivalences between the exams taken and the ones that can be included in our academic disciplines.

Preparation

The verification of the personal preparation will be carried out in accordance with the procedures described in the educational Regulation of the degree programme.

Credits for professional knowledge and skills certified individually by virtue of the law in force, as well as other knowledge and skills acquired with post-secondary educational activities in which the University was involved may be validated.

Operating procedures

Printing the payment slip

The application for the verification of requirements must be printed from the computerized system, Infostud, following the procedures described at <https://www.uniroma1.it/it/pagina/infostud>

The system will create a payment slip of the amount of €10 that is, at the same time, application, self-certification of personal details and privacy consent form, the payment for it must be made within one of the dates indicated below:

14 September 2018, 15 October 2018, 14 November 2018, 14 December 2018, 14 January 2019 (date only for graduand students and for Sapienza University of Rome graduates).

The payment must be made at an Italian Unicredit branch.

The results of the applications assessment will be sent at the institutional e-mail account (if activated) or at the e-mail address given on Infostud.

Students coming from other Universities

Before making the payment, students from other Universities must register following the procedure described on the same webpage, and submit to the Student administrative Office, within the same application deadlines prescribed for the verification of requirements, a self-certification of the educational qualification held, specifying the degree programme's Class, the exams taken and the corresponding Academic Disciplines (SSD) for each subject, and a copy of the proof of payment for the €10 payment slip. Failure to submit the student's previous study plan or a negative result in the verification of curricular requirements leads to not being allowed to enrol in the degree programme.

**Students with the invitation letter**

Before making the payment, students coming from Universities abroad must register following the procedure described on the webpage and must go to the Office for Students with a Foreign Qualification to complete the enrolment process providing these documents: passport, student visa (for non-EU citizens resident abroad), an uncertified copy of the Upper Secondary School diploma translated in Italian, legalised and with declaration of value, uncertified copy of the academic degree translated and legalised with declaration of value, uncertified copy of the exams list certificate (translated in Italian, if for a degree programme in Italian) to attest the exams taken, translated and legalised, a copy of the detailed programs for each subject, specifying the number of hours for theoretical and practical educational activities prescribed for obtaining the qualification (translated in Italian if the masters degree programme is in Italian), the proof of payment of the €10 payment slip for the verification of requirements.

Students without the invitation letter

Before making the payment, students from Universities abroad, must register following the procedure described on the webpage and send an e-mail to studentistranieri@uniroma1.it attaching a copy of their passport, student visa (for non-EU citizens resident abroad), exams list certificate (translated in Italian, if for a degree programme in Italian), the academic qualification with declaration of value, the detailed programs for each subject, specifying the number of hours for theoretical and practical educational activities prescribed for obtaining the qualification, the proof of payment of the €10 payment slip for the verification of requirements. The Office for Students with a Foreign qualification will then be in charge of sending the documents to the Representative of the Faculty concerned.

Graduand students

If laid down in the degree programme Regulation, students from Sapienza University of Rome or from other Italian Universities who have not yet graduated, without prejudice to the obligation to gain their degree within 18 January 2019 (for Sapienza University students) and within 21 December 2018 (for students from other Italian Universities), will also be allowed to apply for the verification of requirements.

Single exams to fulfil requirements

Graduates and graduand students from Sapienza University of Rome and from other Italian Universities who want to enrol in a masters degree programme of the D.M. 270/04 academic system at Sapienza University of Rome and who do not meet the related curricular requirements, may register for single courses before enrolling in the masters degree programme with a 75% price reduction for each single course. Any possible exam taken cannot be part of the bachelors degree, is not taken into account to calculate the average grade, and cannot be used for applying for a shortened degree, but is only added to the student's study plan for the above-mentioned purposes. Enrolment procedures for single courses are described in Article 41 of the Manifesto ("Manifesto generale degli studi").

Additional indications

Procedures following the requirements verification are indicated in Article 8 of the Manifesto ("Manifesto Generale degli studi") published on the University website <https://www.uniroma1.it/it/pagina-strutturale/studenti>
