**Booking the exam on Infostud by the deadline is mandatory, with no exception.** The exam is not allowed without booking. Successful booking in Infostud is uniquely under each student's responsibility. It is recommended to **download and save the Infostud receipt** that certifies successful booking.

In case of any issue related to Infostud, please email the course Instructor at [mauro.pontani@uniroma1.it](mailto:mauro.pontani@uniroma1.it) before the end of the booking period. Any issue reported after the end of the booking period will receive no consideration.

All the exam dates represent an indication and must be regarded as nominal dates. The exact, actual date may differ, and will be communicated (together with time and location) to the booked students a few days before the nominal date.

**Extraordinary calls** (March/April and October/November) **are reserved to eligible students only**, according to the academic regulation available at
